## FIRE LOSS IS HEAVY

### Fayette City Mine Stable and Adjacent Houses Burned

#### TOTAL DAMAGE \$8,000

Fire destroyed the Fayette City mine stable owned by the Monongahela River Consolidated Coal and Coke company, a mile back of Fayette City, Thursday afternoon at about 5:15 o'clock. The loss from the burning of the stable and the damage done to two adjacent houses will total between \$7,444 and \$8,000.

Fire started in the hayloft of the stable from an unknown cause. Hayden Brewer, stable boss, discovered the flames after they had gained considerable headway. With the stable a large quantity of feed and four sets of harness went up in smoke.

A five-room frame dwelling house owned by William Ashton and occupied by a foreign family was damaged to the extent of \$1,500 when it caught fire. A double house occupied by a foreign family was damaged to the extent of \$1,500 when it caught fire. A double house occupied by foreigners and owned by the Pittsburgh Coal company was partly destroyed at a loss of \$600.

## FAIL TO STOP AT END OF SIDING

### Cars Keep Traveling at McKean Avenue Switch and Block Depot Entrance

Two cars and the front set of trucks of the third were pushed off the end of the railroad switch along McKean avenue near Fifth street this morning in the switching of a train. The first car to leave the rails was of the box variety and it was left reposing where the pavement would be if the Pennsylvania Railroad company had ever taken the trouble to lay a pavement. The right entrance to the passenger depot was closed. The next car in line was of the gondola type in which a drilling machine had been loaded. The third was a refrigerator meat car with meat in it.

## MONEY IN TREASURY

### Objections of Controller to Bond Issue Fail to Stop It

The \$120,000 road bond issue, recently authorized by the county commissioners and sold to Lyon, Singer and company has been accepted by that company, a check has been sent for the same and the money is now in the county treasury. There was received for the bonds \$121,674, which includes face of the bonds, premium and interest.

The legality of the bonds was passed upon by Attorney John G. Johnson, a prominent Philadelphia attorney, and approved by him. These are the bonds over which the commissioners and county controller clashed. The county controller refused to advertise for bids for the bonds, and during his absence from Washington the county commissioners sold them without his permission or without advertisement for bids. The controller when he was apprised of what had transpired during his absence stated that he would refuse to sign the bonds when they came to him for his signature.

The bonds evidently were not put up to the controller for his signature but were accepted without this having signed them.

## BLAZE IS BAD ONE

### Conflagration at "Witch Town" of Salem Destroys Historic Places

#### HAS A LOCAL INTEREST

One of the worst conflagrations in the history of New England occurred during Thursday afternoon and night at Salem, Mass., known to history as "the witch town," and as the birthplace and former residence of Hawthorne, the noted novelist. The loss will reach \$20,000,000. From 15,000 to 20,000 residents have been made homeless by the flames which began from an explosion in the Korn leather factory at 2 o'clock Thursday afternoon swept nearly the entire city.

R. M. Warner, who this week is assisting in a special sale at the Pfleghardt Furniture store, has just come from Salem, and the store where he worked for a time, is said to be destroyed.

Salem is famed from the fact that 200 years ago or more persons accused of witchery were drowned there by superstitious residents. The fire started not far from Gallows Hills, made historic by its connection with the destruction of alleged witches. It is feared the house known as "The House of Seven Gables" from Hawthorne's novel by the same name may be among those destroyed, together with other historic treasures.

## ARE WEDDED AT MONONGAHELA

### Miss Essene Nuss, of Monongahela Becomes Bride of Carl H. Rauschenberg

Prettily appointed was the home wedding Thursday afternoon at 4:30 o'clock of Miss Essene Leona Nuss, daughter of Mr. and Mrs. Gideon R. Nuss of Monongahela to Carl H. Rauschenberg, of Charleroi. The ceremony was performed in the parlor of the Nuss home on Anton street, Monongahela by Rev. George W. Youils, of Wilkes-Barre, a retired minister, who is a grandfather of the bride. Immediate relatives and friends of the couple comprised the guest list.

The bride was attired in white crepe and carried a bridal bouquet of white bridal roses and sweet peas. Her bridesmaid, Miss Lena Robertson, was gowned in pink and carried pink roses as her bouquet. Miss Margaret Rauschenberg, a sister of the groom played the wedding march and contributed a vocal solo. The groom was attended by Paul Liggett of Washington as best man.

A reception was held in honor of the bride and groom following the ceremony and in the evening, they left on their wedding trip to the east. While absent they will visit in Wilkes-Barre, Harrisburg, Greenville and at Conneaut Lake. Upon their return they will go to housekeeping in Charleroi, where they will be at home after August 1.

The bride is a popular and attractive Monongahela young woman. The Continued on fourth page

## OFFERINGS NUMEROUS

### Concert and Picnic of Sunday Schools Leading Events of Week

#### BUSY AT ELDORA PARK

Beginning with Sunday musical offerings by Nirella's prize band of Pittsburgh, next week will be one of the most complete in the way of entertainment that Eldora park has ever had. The climax will come with the Fourth of July celebration on Saturday.

Nirella's band, headed by Joe Nirella, will present four distinct programs. The first afternoon concert will start at 2:30 o'clock, and the first evening concert will begin at 7:30. Included in the program will be some of the world's best music. Those who last year heard this prize musical organization at Eldora Park realize the importance of the announcement. At Eldora on Sunday with Nirella will appear a woman soloist who will sing approved as well as proven songs.

Tuesday will be Roscoe day at Eldora park. At this time Sunday school folk from that and nearby towns, such as Stockdale, Elco and Coal Centre, together with business men and citizens of the community will invade the park for their annual picnic and outing. Somewhat elaborate preparations have been made for the event, and there will not be a dull moment. Children will be carefully looked after.

The Hebrew Ladies and Society, of Monessen, have arranged to hold a picnic on Wednesday of next week. At this time it is anticipated there will be a large crowd present to enjoy the hospitality of the members of the society.

A private dance that will be given by the Donora club will be the leading event of Thursday. On Friday night the regular Friday dance will be featured.

Though further announcement will be made later, in brief the July Fourth program will be one of the best ever presented at the park. A fireworks display in the evening will be a feature.

## BOYS ARRESTED FOR THIEVING

### Police at Monessen Engaged in Breaking up Alleged Bad Gang

In the arrest of two boys of an average age of 12 years, Monessen police consider a start has been made in the breaking up of a bad gang thought to have been engaged recently in reported thefts of cantaloupes. Names are withheld. It is asserted that the gang numbers ten. The two were caught, it is stated, when they attempted to steal cantaloupes from the Rogers store Thursday afternoon.

## DUNLEVY HERE ON SATURDAY

### Fast Valley League Team to Play Urban's Charleroi Binglers

The big event of the week in the Monongahela valley league will be the game Saturday afternoon between Charleroi and Dunlevy on the local grounds. Dunlevy so far has been on the losing end of the string but they are improving and an exhibition of real big league ball is expected.

The game will start promptly at 3:30 o'clock. Donahue or Phillips will occupy the mound for Charleroi with Claybaugh receiving behind the bat. Crowl will twirl for Dunlevy while Gray will look after the ball behind the bat.

## TO START PACKET

### Navigation Company Plans Operation of Boat in the Monongahela

Commodore John W. Hubbard and Capt. G. W. C. Johnston, officials of the Ohio and Mississippi Navigation company, hope to start the steamer Lorena from the Monongahela wharf at Pittsburgh on the initial trip in the river trade between Pittsburgh and Morgantown, July 3. The Lorena is now tied up at Point Pleasant, W. Va., waiting for a higher stage of water in the Ohio river. River men claim that general weather conditions are favorable for an increased river stage between now and the Fourth of July. Following the withdrawal of the steamer I. C. Woodward from the Monongahela river more than two years ago, for the first time in 70 years the stream has been without a packet between Pittsburgh and Morgantown.

## ARREST IS TOO EASY

### Polite Man Tells Detectives After Him to Wait For Drink

#### ARE POOR CUSTOMERS

James Grillo, of Shire Oaks, found out Thursday morning that it does not always pay to be polite, especially when a person has been running a speakeasy and the persons to whom they are polite are officers of the Law. Detective Wallace Hilton and Constable Joseph Fitzsimmons made an early call Thursday morning. They rapped at his door and Grillo appeared at an upstairs window. Not recognizing the two men, but apparently supposing them to be some of the customers, said "Come back again boys, I am all sold out."

After placing Grillo under arrest on a charge of illegal liquor selling, the officers continued their morning calls by stopping at the home of Joe Caldangele at house 31, Coal Street, to arrest him on a similar charge.

They took their prisoners and five gallon jugs of whiskey and two cases of beer to Alderman Wiper's office in Monongahela. They left half a barrel of grape wine in the Caldangele house. Alderman Wiper gave them a hearing and held them for the next term of court on the above charges.

## ADELPHIANS HOLD PICNIC AT ELDORA

The Adelpian class of women of the First Presbyterian Sunday school held a picnic and supper at Eldora park Thursday afternoon and evening that was an enjoyable affair. Members of the class and several children went to the park in the afternoon and enjoyed themselves picnicking. Husbands of members arrived in the evening at supper time as specially invited guests, and persons sat down to a picnic meal prepared at the park restaurant. A social good time was enjoyed after the meal.

## MONESSEN HOLDING TOWN OUTING TODAY

The annual Monessen picnic outing is being held at Eldora park today and a large crowd is present. The program for the day includes many events of amusement for young and old. Transportation was arranged so that people were taken on special motor busses to the Charleroi Monessen bridge, across which they walked to the Pittsburgh-Charleroi line to be transported to the park in special cars.

### EXTRAVAGANT HABITS.

In the current issue of the Yale "Review" Frederick S. Dickson makes some scholarly and philosophic remarks about the high cost of living, remarks the Philadelphia Press. From remote and ancient sources he brings to light proofs that past generations were just as apprehensive as we concerning the high cost of living, and that, actually, they had more cause to be. "We insist that prices ought to be lower than they are," he declares, "but we are apt to forget that they are lower than they were."

Our eighteenth century ancestors paid three times as much as we now pay for cloves, allspice and chocolate, four times as much for cinnamon and pepper, ten times as much for washing blue, eleven times as much for rice and twelve times as much for coffee. Oranges cost twice, lemons three times and bananas twelve times as much as they do now. Sugar that brings five cents a pound in the market today sold in the past three centuries at from ten to twenty-eight cents. Today we pay eighty cents a pound for tea that cost a dollar in 1900 and five dollars in Colonial days. These are a few of the comparisons Mr. Dickson makes between the ancient and the modern prices of foodstuffs.

Transportation, that vital factor in the distribution of food, has become steadily lower and lower with the development of railroads and steamships. Beef and eggs are higher today than they ever were, but then we get more sanitary beef and fresher eggs thanks to Government inspection and cold storage plants which naturally are expensive. Kerosene oil is cheaper than ever before, so are candles, matches, pens, tools and rugs. Fabrics, too, are cheaper; but whereas materials such as silk are a luxury in which only the wealthy indulged—and even they to a limited extent—modern women of every station have more extensive wardrobes of the higher priced materials than their grandmothers and great-grandmothers dreamed of possessing.

Not high prices, but extravagant habits, concludes Mr. Dickson, make it so costly for us to live. "Two courses, a relief and a dessert, constituted a formal dinner in 1729, while today a high class clerk must needs provide a more varied after-the-theatre supper for a lady of the chorus than Lady Grisell Baillie set before royalty two hundred years ago."

And what is true of the "high class clerk" and his chorus girl friend is true of everyone else. We live better, dress better and eat better than our grandfathers did—and we pay for it. It is not the cost but the standard of living that is higher.

### PICKED UP IN PASSING

A bevy of young women the other day were discussing in a local store the kind of careers they would prefer. The discussion took place on one of the warmest mornings of the present hot spells and the variety of selected careers ran the whole gamut from the artistic to chorus girl. Finally one was asked what sort of career her choice would be:

"Well, you girls can talk all you please," she said, "but what I should like today to be is 'September Morn.'"

An exchange gives the following as a good example of "The Evening Dialogue":

Voice (upstairs)—John, have you locked the front door?

Yes.

Put the cat out?

Yes.

Have you wound the clock?

Yes.

## BELLE VERNON BEAT CHARLEROI BY HEAVY SCORE

Just to show they know how, those Belle Vernon Y. M. C. O. baseball players of the Monongahela valley league turned in and trimmed the Charleroi team on Thursday afternoon by the top-heavy score of 13 to 4. And there is no use talking, they deserved their victory, considering they annexed just 19 safeties in

the way of hits. Incidentally they thrust Charleroi into second place in the league standing.

Think of the preposterousness of it—a Belle Vernon team getting 19 real hits all in one day. They must have been affected by the warmth.

All the damage was done in three innings, the first, second and eighth. So that demonstrates that when they started a good thing they kept it up. In the first inning, the tallies of Belle Vernon numbered three. In the next session, heavy cannonading continued unabated, and the result was five scores. The eighth inning total was five runs.

The Magics scores came in the eighth inning, but that was so late in the festivities as to be of no use from the standpoint of a victory. The score:

## Last Minute of the Great Hoosier \$1 Sale

This Our  
Last Ad

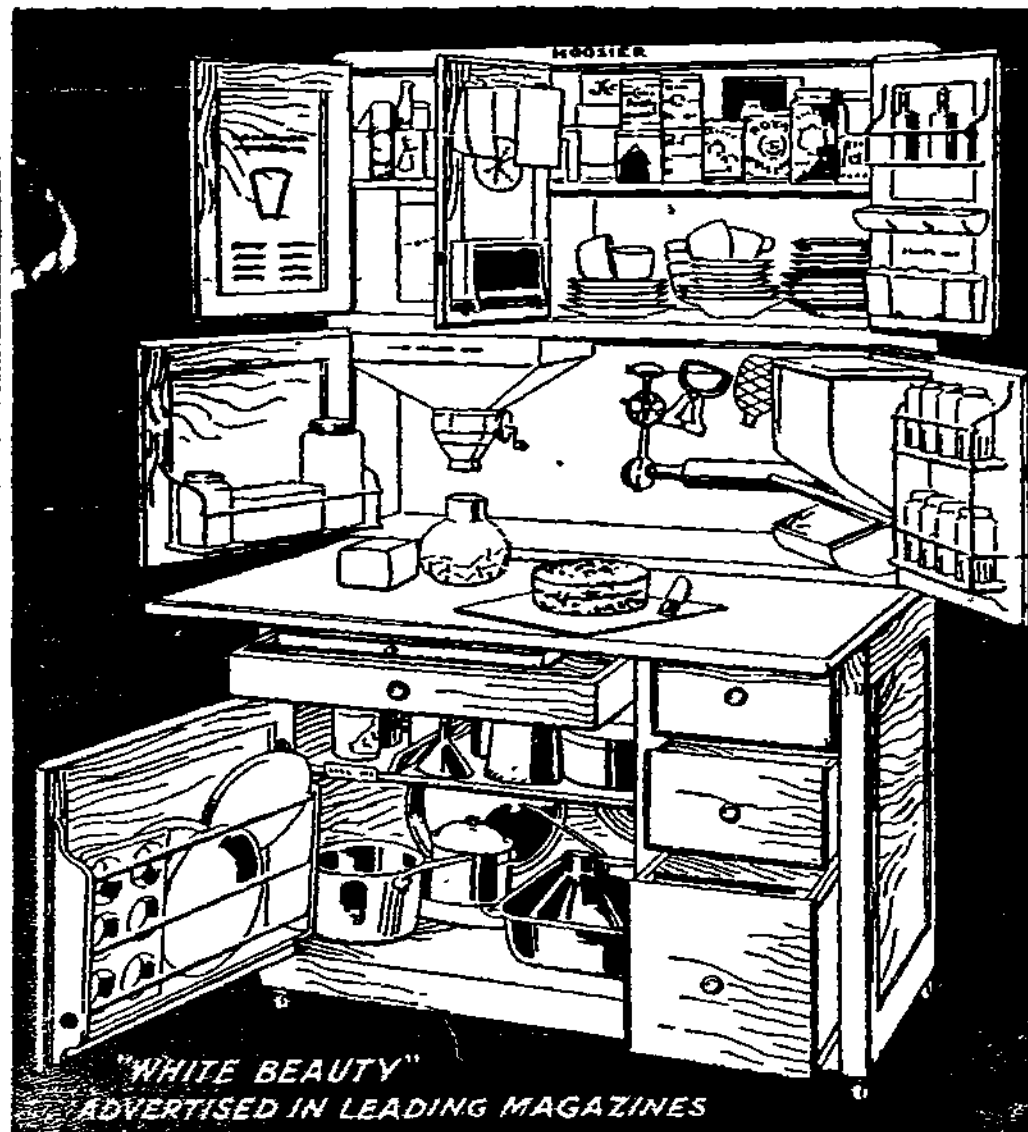

Tomorrow  
the Last  
Day

Your Last  
Chance

The end of our great offer is now at hand. Scarcely enough Hoosiers remain for this sale to justify this advertisement.

WE NOW HAVE KEPT OUR PROMISE

By telling you frankly that YOU MUST ENROLL EARLY TOMORROW in order to have the Hoosier save you hours from your hot kitchen during the sweltering days ahead. When the last Hoosier in this allotment is taken, your opportunity to enroll on the famous Hoosier \$1 Plan ends, and we have no early assurance of receiving more Hoosiers, even on regular terms, for some time to come. Come tomorrow without fail, and come early.

Tomorrow, Only \$1 Puts This NEW  
HOOSIER in Your Home—Don't Wait!

The mid-summer sale terms are:

1. You may choose any of the new Hoosiers—"White Beauty," or "Oak Interior" at slightly less price.
2. \$1 puts your Hoosier in your home at once.
3. \$1 weekly quickly pays for it.
4. The low cash price fixed by the factory prevails strictly.
5. No interest—no extra fees.
6. This sale is under direct supervision of the Hoosier Company.
7. Sale is strictly limited to our small summer allotment of new Hoosiers.
8. Your money back if you are not delighted with your Hoosier.

This is your opportunity—if you act quickly—to own this wonderful Hoosier on the most liberal terms ever offered. You may search the whole world and find nothing that will save you so much labor in your kitchen as this new Hoosier.

White Beauty is a wonder of convenience. It combines three roomy cupboards, a large work table and package pantry in one spot so you can sit down at work and save miles of steps.

You have places before you for 400 articles, all at your fingers' ends. You save most of the weary hours other women spend in their kitchens.

This new Hoosier on these terms is the greatest kitchen cabinet bargain you have ever seen. The few we have will be sold in no time at all. Only those women who grasp this opportunity tomorrow can be sure of getting one of these cabinets on the liberal Hoosier plan.

Read about  
these conveniences that  
made the HOOSIER neces-  
sary to over 700,000 women.

(1) Mrs. Christine Frederick's famous "Housekeepers' Food Guide"—on the upper left door—answers the eternal problem: "What shall we have for dinner?"

(2) The Cook-book Holder on the middle upper door holds your cook book securely when not in use. When you are cooking, simply open up the book to the proper page behind the holder. It is on a level with your eye, always clean, never in the way.

There are 40 special conveniences in the NEW HOOSIER—17 are entirely NEW.

(3) The Hoosier Metal Flour Bin holds fifty pounds. It is low and easy to fill. The sliding glass front enables you to clean the entire bin easily. The inside is entirely of metal, with no corners to hold flour. First flour in is always out first.

(4) The New Shaker Flour Sifter is the most wonderful of all the new Hoosier inventions. It is the only flour sifter ever made on a kitchen cabinet that shakes flour through instead of grinding it through. It cannot wear out and cannot grind through any grit or foreign substance that might be in the flour.

OUR WINDOW DISPLAY is the talk of the town—come and see it.

(5) A new feature in the Base Cupboard is a narrow shelf conveniently located for the storage of canning articles. Most women will find this great convenience as an "emergency shelf." It will save many trips to the cellar or pantry.

TOMORROW YOU may examine all the new features. You incur no obligation. But you should come early. You may be too late to get one on the HOOSIER PLAN if you delay. Come and SEE this remarkable NEW Hoosier tomorrow.
